I am running once again for seat on the NLTRA Board. I was elected to the board in the last election, but due to the recent bylaw changes, I will be (hopefully) starting a new term in an at large position. I have lived in Tahoe City for many years, and currently own and operate a variety of local businesses. As the desire for a diverse board has been voiced in the past, I believe I am a solid choice. In Tahoe City I own/operate commercial and residential property rentals, including local housing for our employees and the employees of other local businesses. This is in addition to an outdoor recreation company that has existed in town all the way back to the 1970s. Last year found me taking over a local retail shop as well, providing entertainment rentals in downtown Tahoe City. My wife and I plan to continue our lives here in Tahoe City for many years to come. I would like to do all I can to see Tahoe City thrive and continue to be a beautiful and engaging destination known the world over, as it is today. Please help me help our community and consider me once again for a board position. Thank you!
